# Write & Wipe

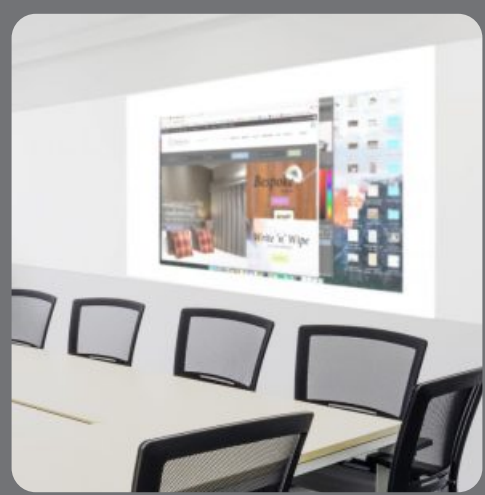

A dry-erase projection capable wallcovering supplied by the meter, and installed like a standard fabric-backed vinyl wallcovering.

Transform any size wall into a large-scale whiteboard. There are no size restrictions with this wallcovering making it easy to incorporate into every workspace.

The wallpaper can be customized to include your company logo, slogan, pictures etc..the possibilities are endless.

Great for Boardrooms, Meeting Rooms and Classrooms.

Uses normal board markers and easy to clean!
